The highly acclaimed Fender Select series introduces an all-new lineup for 2013. These finely crafted guitars and basses put decades of Fender expertise on display, with elegant features and design options for discerning musicians everywhere. Experience the latest figured tops, beautiful finishes, choice tone woods, figured and quartersawn maple necks with compound-radius fingerboards, an innovative new "inlaid" fingerboard design on two of the models, specially voiced pickups, and several new first-rate features that mark Fender's top-line best as remarkable instruments.

The Fender Select Telecaster Thinline presents a finely crafted take on the popular semi-hollow version of our very first guitar model. Stylish and light, it has a semi-hollow ash body with a beautiful flame maple top and hand-stained Violin Burst finish with gloss lacquer topcoat. Its modern "C"-shaped birdseye maple neck has a satin lacquer finish and Bi-Flex™ truss rod system. The compound radius birdseye maple fingerboard (9.5"-14") has 22 medium jumbo frets and a gloss lacquer finish.

Other premium features include Fender Select Telecaster single-coil neck and bridge pickups with three-way switching, heavy-knurled chrome or gold control knobs, four-ply aged white pearloid pickguard, American Standard Telecaster bridge with bent steel saddles and stamped brass plate, deluxe staggered locking tuners (on 0170316833) or deluxe cast/sealed with white pearloid buttons (on 0170317833), nickel/chrome or gold hardware and Fender Select headstock medallion.
